Re: SB 348

Honorable Senators,

Please work against and vote “no” on SB 348. SB 348 is a bad bill for several reasons.

First, we all – Black, Brown, and White, atheists, Christians, Pagans, and Jews – depend on guns and firearms to defend ourselves against criminals and bad governments. SB 348 is anti-freedom and anti-U.S. Constitutional. We need to have high-capacity magazines and semi-automatic firearms and guns to fairly defend ourselves against criminals and bad governments. That is why we have the U.S. Constitution and the Second Amendment. Nothing has changed on this since our country was founded.

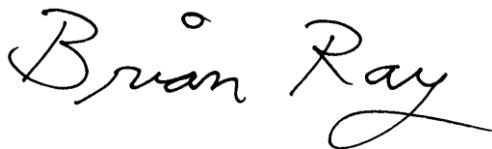

We need to be able to buy these constitution-protected items quickly and without undue government restrictions and costs to the citizen.

Repeated research studies and government statistics show that measure such as those proposed in this bad bill will do nothing to stop evil persons from committing crimes with firearms. Please encourage law enforcement agencies and our judicial branch to enforce current laws which will reduce crime whether it’s using firearms or otherwise.

Please support our U.S. Constitution as you have sworn to do. Please fight against and vote no on SB 348.

Thank you.

Sincerely,
