On Behalf Of: myself
Committee: Senate Committee On Judiciary
Measure: SB348

Please allow common sense to rule in this case... Do not raise the permit to purchase fee making it more difficult for people to purchase a gun. If we send our kids to war at 18 they should be allowed to purchase a fire arm as long as they are in good standings as is required of any citizen. Oregonians have a right to purchase a gun and none of what this bill covers is making us any safer! Please stop! Thank you
