

## SB 527 OPPOSE

I strongly oppose SB 527!

Both this bill and HB 2006 are attacks on 2nd Amendment rights. This legislature is confused and inconsistent in its definition of adult and what rights and responsibilities that entails.

You appear to think a 15-year-old has the maturity to decide to have permanent, life-destroying gender surgery, but an 18-year-old, who is old enough to join the military, doesn't have the maturity to own a firearm.

Vote NO on this further attack on the 2nd Amendment rights of law abiding citizens who are old enough to risk their lives to protect yours!
