

Submitter: Chris Brumbles

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

As usual y'all violate your Oath while ignoring the US and Oregon Constitutions in order to control and endanger your employers. These illegal gun laws that you are pushing will only hurt good people while empowering criminals, but you know that and don't give a damn. Enough, vote no on this monstrosity.

I suggest that y'all study the Bruen decision proving that nearly every gun law is illegal.

If you vote for this you are willingly violating your Oath of office thereby committing perjury.
