

Submitter: Janay Trimble

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB408

I would hope you would oppose this bill that would allow OHA to change or take away the rights of how each medical professional chooses to treat their patients. You will strangle and force the beliefs of some unelected officials on these professionals who all have their own thoughts, experiences and beliefs of how to treat patients.

"First Do No Harm" should stand as their only oath!
