

Submitter: Fred Baldwin
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

Please oppose SB 348, as well as, any Measures or Bills that deal with limiting our 2nd Amendment Rights.

We already have laws that require that each & every person in Oregon that buys a firearm of any kind most be vetted through the State of Oregon's Background checking procedure. I should know because I went through that procedure Saturday & even though I have purchased 3 guns in 2022 & have had a Concealed Weapons Permit for nearly 40 years, I was not immediately approved, for the 2nd time in 1 year, and been placed on a waiting list for approval. That's not a problem for me because it assures me that the system is working & that the rules & laws are being enforced...as they should be. Any new laws that further restrict my rights are not necessary...period.

Thank you for taking the time to read & consider my request to vote against SB 348.
