To the Oregon Judiciary Committee:

As members of the **Measure 114 Leadership Task Force**, we are thanking you for your work to date on this very important Senate Bill.

Again, today in Nashville we've lost lives of 3 children and 3 teachers to lax gun regulations. Don't let this continue in Oregon.

Any legislation to implement Measure 114, now in the form of SB 348, must fully **implement Measure 114 as Oregon voters supported and passed it.**

As our leaders, please clarify provisions and smooth implementation, but **don't weaken** Measure 114 in any way.

We are **NEUTRAL on SB 348-1.**

We appreciate your work to date, but we do not want to weaken Measure 114 as it was accepted by the people of Oregon, 3500 volunteers who gathered 165,000 signatures/petitions that secured Measure 114 on the November ballot.

It is time for Oregon!
