

Submitter: Randy L Shaw

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB2765

Thank you for the opportunity to express my support for HB 2765. This bill will help the drought stricken agriculture community and the National Wildlife Refuge on the Lower Klamath. It is a no brainer to support this as it will also save the South Suburban Sanitation District from having to raise the rates to it's customers. In addition it will decrease the discharge amounts into the Klamath River. Please support this legislation.
