Measure: SJM6

I oppose SJM 6. Washington D.C. should not be a state. Our nation's capital, and related buildings, should remain controlled as it presently is. "Our Nation's Capital" belongs to all 50 states and should not be under the control of any one state. This was our Founders vision for equity. We do not need to change that. SJM 6 is a ploy to tip or rig the balance in US Senate elections. If residents of DC feel disenfranchised in Senate elections, allow them to voter in either Maryland or Virginia DO NOT CREATE A NEW STATE.
