

Submitter: James Freed  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB3513

As an older veteran I am concerned about the suicide rate among active duty and Veterans. I do believe this bill will save many Veterans and others who might have a crisis and have access to guns. Suicide is not a solution for anyone in pain both physical and mental. Currently 17 servicemembers a day commit suicide, just 1 is too many.
