

Submitter: Hal Lawson

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

The Oregon Constitution clearly states in Article 1 Section 27 that THE PEOPLE have the right to bear arms for the defense of themselves. i qualify for that. Secondly the US Constitution states clearly, the right of the people to keep and bear Arms, SHALL NOT BE INFRINGED. We the people qualify for that too.

I take offense that this measure came out last Friday at 5pm and I suspect a large majority of "we the people" would not have had time to process this.

Kill the bill is in order.

Thank you for reading the Constitution and doing the job the voters expect.
