

Submitter: Gary W Campbell

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

This bill of 348 is a violation of the is 2nd amendment of the United States of America. Any infringement is taking away of my rights as a citizen of this country. Please do not infringe on these rights. I have relatives who were in the revolutionary war, and they fought against the tyranny of Britain. Please take in consideration what the declaration says. The State of Oregon does not have the right to stop that privilege guaranteed by the constitution.
