

Submitter: Robert Hafer

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

"in-person demonstration of the applicant's ability to lock, load, unload, fire and store a firearm before an instructor "approved" by a law enforcement agency."

did the person or persons who drafted this bill get the language from some grade B Hollywood "war movie?"

Why does the democratic party insist on taking away the rights of American citizens to keep and bear arms so we can protect ourselves from the very criminals they coddle and refuse to punish for their criminal acts?
