

Submitter: Thomas Hilty
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

As a retired LEO with 32 years on the job from Suffolk County NY, I am against this bill as it would in effect make me a felon for possessing a weapon I was issued by my department. I've had this weapon for over 20 years. This measure is in the courts and we should let the courts make a decision on it. Thank you Tom Hilty
