Measure: SB348

I am very worried about the suicides and gun accidents that are the majority of the gun deaths in our state. I worked hard on the Measure 114 for that reason. Please don't undermine what the voters supported.

Any legislation to implement Measure 114, now in the form of SB 348, must fully implement Measure 114 as Oregon Voters supported and passed it. Please clarify provisions and smooth implementation, but don't weaken Measure 114 in any way.
