Measure: SB408

I oppose SB408. We already have licensing boards which oversee healthcare professionals and keep them accountable. These boards makes rules that must adhere to Oregon laws made by ELECTED Oregon legislators.

I see no reason for UNELECTED people at the OHA to be making any kind of decisions that would affect an entire healthcare profession. This cuts out the voices of the people and gives much authority to an UNELECTED and UNNAMED few.

SB408 will not offer any benefit to the public and should not move forward.

Thank you.
