Measure: HB3202

Dear Legislators,

I hope that you will be a yes vote for House Bill 3202, in order to help improve wildlife welfare, human health, and our environment generally.

House Bill 3202 builds on what other states have already done. This simple bill will help protect migratory birds as well as help ensure a vibrant ecosystem that benefits humans too.

Let's protect our night skies now while we still have them, instead of trying to restore them after they're gone!
