

Submitter: Teresa McGrath
On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB3202

To the Oregon Legislature:

Please support House Bill 3202, in order to help improve wildlife welfare, human health, and our environment generally.

It's time for Oregon to get to work to address this issue. Behavioral and hormonal changes in animals due to over-illumination can have far-reaching effects on public health as well.

It is easier to protect Oregon's night skies while we still have them than to try to restore them once they are gone.
