

Submitter: Scott Scott

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB3202

To the Oregon Legislature:

I am writing to urge your support of HB 3202, in order to protect our ecosystem against the damages caused by light pollution.

Many other states have taken such steps already. Behavioral and hormonal changes in animals due to over-illumination can have far-reaching effects on public health as well.

Protecting our night skies while we still have them is easier than trying to restore them once they are gone.
