On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

Hi my Name is Adam lounsbury and I oppose SB348 because more gun laws will not stop gun violence. it actually makes it worse. Statistics even show that passing more gun laws create more gun violence its not only wrong to punish law-abiding citizens of there constitutional protected right! But it's wrong that you don't enforce the laws on the books that we have arrest the criminals and stop releasing them on the streets statistics show that a population that has more guns has less gun crimes period. I will not give up my rights to satisfy the people who want to take my rights away. Thank you
