Committee: Senate Committee On Judiciary

Measure: SB348

I am writing to oppose SB348. I am a law-abiding citizen. This will negatively impact those people of color. I am a person of color. The increased price for a permit-to-purchase (ptp) will affect those in the low-income bracket. It will affect those that use firearms to provide food for their families.

It also is in conflict with the 2nd Amendment. I resent the fact that this legislature is trying to take our gun rights away. No more big government overreach.
