On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I oppose this bill as it is again will be waste of tax payer dollars. It Will infringe my 2A rights on gun ownership. You should spend the dollars by ipening up more mental health care facilities like measure 110 was suppose and take care of the mentally unstable drug addicted persons who will find a way to commit atrocities against good citizens no matter what kind of bill you think will protect mass shootings.
