On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB1070

Senator Floyd Prozanski, Chair  
Senator Kim Thatcher, Vice Chair  
Members of the Senate Judiciary Committee

SB 1070 would help provide a much needed change in Oregon's sentencing laws. Experiencing domestic abuse has been shown to profoundly impact the lives and actions of those lucky enough to survive it. Yes, I believe that Oregon must say, " We recognize that the harm that was done to you had a part in this." Yes, I believe the courts should be required to consider the evidence of domestic violence in determining sentences.

I strongly support SB 1070. Please support SB 1070.  
Thank you for listening,  
Alice Fay
