On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB611

I strongly support SB 611 and encourage the committee to go further with reducing the allowable cap! People can't afford gas, food, and medical care now, please take immediate action to stop any rent hikes back to Jan 1, 2023. PLEASE STOP any legislation that increases homelessness in our state! Please consider the hundreds of people still houseless because of devastating wildfires. Thank you for your service and consideration of my testimony.
