

Submitter: Robert Hall

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

Another mass shooting in the United States. The 28 year old woman shot and killed 3 children and 3 adults then had a shoot out with police in Nashville. America is awash in assault rifles and large clip pistols.

Please do not weaken Measure 114 with the passage of SB 348. Measure 114 does not prevent US citizens from gun ownership.
