

Submitter: Scott Beck

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

SB348 is just another way they are trying to restrict our 2nd amendment rights to own firearms. As usual they submit it late on Friday to try and sneak it through. It's totally disgusting and no surprise. That's how they operate.

Please vote no on this bill. It is unconstitutional and will end up in court just like 114 did.
