Measure: HB3202

Testimony in SUPPORT of HB 3202:

I am writing to urge your support of HB 3202, in order to help improve wildlife welfare, human health, and our environment generally.

Oregon should follow the lead of other states that have already taken this step. Nocturnal animals are dependent upon uninterrupted nighttime hours, and behavioral changes stemming from over-illumination can have effects on humans' ecosystem as well.

It's easier to protect our night skies while they're still here than to try to repair them after they are gone!
