

Submitter: Paula Wiiken  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB348

As a longtime supporter of gun safety, I am neutral on SB 348-1. I applaud your efforts to move forward gun safety legislation in our great state of Oregon. The school shooting in Tennessee yesterday reminds us of the great need for common sense regulations. However, please do not weaken Measure 114 in any way. Thank you!
