

Submitter: Marcy Setniker  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB348

While I appreciate the Oregon Judiciary Committee's work on this bill until now, I do NOT want the Committee to weaken Measure 114. Any legislation to implement Measure 114, now in the form of SB 348, must fully implement Measure 114 as Oregon Voters supported and passed it. Please clarify provisions and smooth implementation, but don't weaken Measure 114 in any way. My support for a strong Measure 114, now SB 348, is the result of a friend being hit by random gunfire from the street while sleeping inside their home. My friend is lucky to be alive and will live with the results of a serious injury for the rest of their life. Measure 114 fully implemented will greatly assist in the prevention of such unnecessary suffering and establish a safer Oregon for all residents. Please work for the full implementation of Measure 114/SB 348. Thank you.
