Committee: Joint Committee On Transportation
Measure: HB3202

IN SUPPORT OF HB 3202

I am writing to urge your support of HB 3202, which will create standards to limit and mitigate light pollution across Oregon.

Many other states have taken such steps already. This simple bill will help protect migratory birds as well as help ensure a vibrant ecosystem that benefits humans too.

Let's protect our night skies now while we still have them, instead of trying to restore them after they're gone!
