Measure: SB348

I strongly oppose SB 348 and urge a NO vote.

SB 348 denies the Second Amendment by placing the language of Measure 114 into a bill. Measure 114 is currently tied up in federal and state courts and most likely will be declared unconstitutional because it is.

Our U.S. Constitution Second Amendment right states the right of the people to keep and bear Arms, shall not be infringed. SB 348 is an infringement of said constitutional right.

If you truly want to keep society safe then support the police and lock up the criminals who are violating the gun laws we already have in place. Stop trying to make criminals out of law-abiding gun owners.

A strong vote of NO on SB 348.
