

Submitter: Carol Weliky
On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB3202

Dear Legislators,

Please vote YES on H.B. 3202 (the Night Skies Protection bill) in order to help improve wildlife welfare, human health, and our environment generally.

It's time for Oregon to get to work to address this issue. Nocturnal animals are dependent upon uninterrupted nighttime hours, and behavioral changes stemming from over-illumination can have effects on humans' ecosystem as well.

It's easier to protect our night skies while we still have them than to try to restore them once they are gone.
