

Submitter: Robert Creed

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB2765

Dear Sirs,

I strongly support HB2765 as it will provide clean water to the Klamath River as well as much needed water to our valuable wildlife refuges. Our refuges have been dry denying both resting and breeding grounds for the major Western flyway species, a real tragedy for anyone who cares about the health of our planet.

Sincerely,  
Robert Creed O.D.
