

Senate Committee on Judiciary

I am writing to urge that any legislation to implement Measure 114 must fully implement it as Oregon Voters supported and passed it. Legislation should require a permit for the purchase of hunting guns and include a robust check to ensure a permit applicant is not a danger to themselves and others. Please clarify provisions and smooth implementation, but don't weaken Measure 114 in any way.

For most of my adult life I have worked in violence prevention education for youth. I strongly support responsible and effective legislation addressing gun safety.

Sincerely,
Kathleen Beland
