

Submitter: Beth Neel

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB3202

IN SUPPORT OF HB 3202

Please vote YES on H.B. 3202 (the Night Skies Protection bill) which can help curtail the damage done by light pollution to wildlife .

Oregon should follow the lead of other states that have already taken this step. This simple bill will help protect migratory birds as well as keeping the skies dark for our children to enjoy the stars!

Thank you.
