Committee: Joint Committee On Transportation

Measure: HB3202

Testimony in SUPPORT of HB 3202:

I am writing to urge your support of HB 3202, which seeks to mitigate the detrimental effects of light pollution on our environment.

It's time for Oregon to get to work to address this issue. This bill helps prevent birds and nocturnal animals from being adversely affected by over-illumination, as well as the effects on our own health and safety.

It is easier to protect Oregon's night skies while we still have them than to try to restore them once they are gone.

Thank you,
Trisha Garvin
