Committee: Joint Committee On Transportation
Measure: HB3202

To Oregon Lawmakers:

Please vote YES on H.B. 3202 (the Night Skies Protection bill) which seeks to mitigate the detrimental effects of light pollution on our environment.

Many other states have taken such steps already. This simple bill will help protect migratory birds as well as help ensure a vibrant ecosystem that benefits humans too.

Protecting our night skies while we still have them is easier than trying to restore them once they are gone.
