

I OPPOSE [SB 93]...

<https://olis.oregonlegislature.gov/liz/2023R1/Downloads/MeasureDocument/SB93/Introduced>

[SB 93] states, "...SECTION 1. *The Department of Human Services shall study the department's processes for delivering services to aging adults.* The department shall submit a report in the manner provided by ORS 192.245, and may include recommendations for legislation to improve the department's service delivery processes, to the interim committees of the Legislative Assembly related to human services no later than September 15, 2024."

[SB 93] has "No" budget allocation(s) for a study that has "No" services listed.

Is [SB 93] really a construct for a political "slush fund?"
