I STRONGLY OPPOSE HB 3513

This bill is so ridiculous that it makes it impossible to ever know if we are legal, and perhaps that's the point. To make it so difficult we'll give up our firearms. When the intent is to make it so difficult to own a gun, it becomes unconstitutional. Now if the sponsors of this bill had to pay for court challenges, they'd quit playing games with our legal right to own and carry a firearm.
