

Submitter: James Hoppe

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB2765

I am writing in support of HB 2765.

I believe this house bill will allow the implementation of an innovative and cost effective strategy to provide much needed water to the Lower Klamath Lake and specifically the Klamath Refuges.

Waterfowl and a myriad of other wildlife have suffered from the lack of water in the Lower Klamath Lake/ Refuges and HB 2765 is an affordable remedy. Win Win.
