Measure: SB348

This bill is just a way to bypass the litigation that is holding up 114. The fact is the items in this bill will NOT solve a single problem. All it becomes is a money grab for the state. Magazine bans will not solve any issue, there are already MILLIONS in circulation. The permit to purchase a firearm is just a speedbump but will not cause a decrease in violence. Criminals do not give two cares to your laws. Murder, the crime you are trying to prevent, is still illegal, and will remain illegal. No matter what other laws you pass, your core issue is with murder, not firearms. I wholeheartedly oppose this bill.
