To the Senate Committee on Judiciary
RE SB 348 and 114

As your constituent I am asking that any legislation to implement Measure 114, now in the form of SB 348, must fully implement Measure 114 as we Oregon Voters supported and passed it. Please clarify provisions and smooth implementation, but don't weaken Measure 114 in any way!

As a voter, I appreciate the work you have done to date, but I want to call attention to the fact that Oregon voters have already passed Measure 114 - Please do not weaken this step to protect ourselves and our children.

I submit that hunters in this state have a right to their hunting guns, but as a daughter of a hunter there is the practice of Fair Chase that should be top of all hunters minds.

Sincerely,
Barbara Erickson
