

Submitter: Kirsten Jacobs  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB348

Dear Legislator,

I am writing to express my outrage at the ongoing national crisis of gun violence. We in Oregon passed Measure 114, and I urge you to work quickly towards full implementation. At this time I am NEUTRAL on SB 348-1. I appreciate your work to date, but I do not want you to weaken Measure 114. The bill needs language to ensure it is enforced equitably as the voting majority intended. Hunting guns should require a permit and the permit process needs to be robust. Please do all you can to bring Measure 114 to fruition so that we can begin reducing the number of lives lost to gun violence in Oregon. Now is the time.

As you know, the Portland Public Schools community lost two students and one former student to gun violence just this week—this has to stop.

Thank you for your support.

Thank you for standing with me for our kids,  
Kirsten
