

Submitter: Niqui Prara Buck
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB3513

To whom it may concern,

My name is Niqui. I am a young mom in the Linn county area. I understand that many people don't see the value or why we need the 2nd amendment. Though as a young woman, I feel that is important that we can protect ourselves if necessary. I think one way things could get better is by enforcing the laws we have already had passed awhile ago. Maybe teaching everyone the proper way to handle a gun. As well when the protection is necessary.

Sincerely,
Niqui
