Measure: SB348

I stand opposed to Permit to Purchase as it is redundant to Protection and Care already provided by Oregon Laws and Practices including but not limited to Background Checks for all transactions between strangers and between Dealers and Customers.

This Permit to Purchase is therefore a shameful Ruse. The unstated, even concealed purposes include making a firearm purchase burdensome, unappealing and onerous with an eye toward tighter control over handgun and semi-automatic rifle sales and/or transfers. This preys on the poor, vulnerable and unsophisticated most of all. Shame on you.
