

Submitter: Linda Middlekauff
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

To the Members of the Senate Committee on The Judiciary:

I am strongly opposed to SB 348 which seeks to remove more gun rights from law abiding citizens. Firearms are a basic right given to every American by the US Constitution. Their use to protect the individual from criminals and from an oppressive government "shall not be infringed". For some reason, it's easier for criminals to obtain firearms than for law abiding citizens to do so.

Please uphold our right to bear arms & vote NO on SB 348.

Thank you.
