

Submitter: Sheila Dooley

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB3086

Please vote no on HB 3086. The Oregon Fish and Wildlife Commission should continue to have representation from each Congressional District. This will ensure that there will be diversity on the Commission. In contrast, if this bill were to pass, the Commission would be dominated by hunting and agriculture interests while the voices of the majority of Oregonians would be silenced.

Please oppose HB 3086 and instead support only the -1 or 3 amendments which would maintain the congressional district model.

Thank you,

Sheila Dooley
