

Submitter: Angela Knoy
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB320

Tyler Paterson has been incarcerated for 2 months shy of 8 years. I would like to see this bill pass so he could be released and not have to serve another 3 plus years.

I am Tyler's cousin and upon my visit with him earlier this year, I feel he has been incarcerated long enough for his crime. He has had good behavior conduct and is definitely not a harm to society.

Thank you,
Angela Knoy
