

Submitter: Hall Home Inspection

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB3086

I strongly support HB 3086. This bill ensures that all Oregonians are being represented in a fair and equitable way. The ODFW commission is currently structured in a way that favors the Willamette valley, and HB 3086 will make sure that the wildlife and wild places of Oregon are being managed by the people who actually live in those places.
