Most small business income is filed as personal income and this is just another kick in the gut for small businesses.

This law maintains return of surplus to taxpayers with lower incomes and phases out amount re-turned to taxpayers with higher incomes. Yet another socialist wish on their endless effort to decimate business in Oregon.

The Constitution guarantees the pursuit of happiness, BUT NOT equal outcome !

The state budget is growing faster than that of taxpayers which will force them into bankruptcy or force businesses to move out of state.

The State of Oregon doesn't have a revenue problem, it has a SPENDING PROBLEM, and legislators that think money grows on trees.

BALANCE THE DAMN BUDGET AS I HAVE TO DO EVERY MONTH.
